BIA Monthly Digest – 15th July 2020

**News Items**

**COVID-19: access to Elsevier resources and links to UK health services information**

The BIA website has links to a wide range of resources and information [here](#).

**Association of British Neurologists Surveillance Programme on Neurological/psychiatric manifestations of COVID-19**

The Association of British Neurologists (ABN) have initiated a national surveillance study because it is becoming increasingly apparent that neurological/neuropsychiatric complications of COVID-19 are being identified, mostly in small case series. They are asking for clinicians to notify cases via their web portal: [https://www.coronerve.com](https://www.coronerve.com)

**COVID-19 Therapeutics Advice & Support Group (CTAG)**

BIA has endorsed the first outputs of the COVID-19 Therapeutics Advice & Support Group (CTAG). CTAG has been established by a group of Drugs and Therapeutics Committees, Area Prescribing Committees and specialists to provide advice and support in the management of COVID-19 whilst national guidelines evolve. Its ongoing work will be supported by BIA and the Royal College of Physicians through the Joint Specialist Committee on Infectious Diseases. Please visit the [CTAG website](#) for more information.

**NITCAR Update**

*See BIA NITCAR page for more information*

The National Infection Trainee Collaborative for Audit and Research (NITCAR) latest project aims to collate a dataset of necrotising otitis externa cases from across the UK. The project has launched and is recruiting interested centres.

Project lead: Susanne Hodgson. Email: interest@noe.nitcollaborative.org.uk to get involved

If you would like further information about NITCAR, or would like to ask us a question, please go to our website - [www.nitcollaborative.org.uk](http://www.nitcollaborative.org.uk)

**LearnInfection**

*LearnInfection is an online resource for infection trainees to test, learn and share knowledge on infection topics and best practice. Aimed at BIA trainees, it is available to all BIA members and can be accessed using your BIA login details.*

Please take a look at [https://learn.britishinfection.org/](https://learn.britishinfection.org/)
BAJIR Bone and Joint Infection Registry

The BAJIR database is the UK Bone and Joint Infection Registry. It is designed to collect data on all patients with bone and joint infections in the UK.

The information will be used to better understand bone and joint infections and how best to treat them. It will also be used to assess and improve the quality of services across the NHS to achieve better outcomes for patients with these conditions.

For further information, or if you would like to join the BAJIR, visit https://bajir.org/.

Contact us via nhc-tr.bajir@nhs.net.

Clinical Infection in Practice (CLIP)

CLIP, a new official journal of the BIA and available online here

The Journal provides a forum for the advancement of knowledge and discussion of clinical infection in practice. It will embrace relevant clinical research and clinical management issues, including case reports and case series demonstrating novel or interesting findings.

The CLIP Editor in Chief is Professor Martin Wiselka supported by a distinguished Editorial team.

Visit the Elsevier website for further information

To submit an article please click here. BIA will waive the publishing charges for the first 25 accepted papers for BIA trainee and associate members who are currently training and/or working in healthcare in the UK and Ireland.

Grants

See Grants page for full information of all grants available

Please note: The BIA grants provision is currently under review. BIA council will review the situation over the summer with a view to setting our position on research funding for the year in the Autumn. No calls for applications will be made before this time.

Guidelines

Consultations

See Consultations page for full information of all consultations

UK SMI V 58: Severe Acute Respiratory Syndrome Coronavirus 2 (SARS-CoV-2) serology

Your comments are requested on the following document. To take part in the consultation process please go to the relevant page by clicking here (under consultation).

Please send comments by Wednesday 22nd July 2020, 10:00am to Anna Goodman (Anna.Goodman@gstt.nhs.uk) who will collate a response on behalf of BIA.

Your attention is drawn to the terms of use of this website, which you must read before accessing the documents. In cases of difficulties please contact the Standards Unit (standards@phe.gov.uk).
