 - D. What? From Jersey? Simon Warren et al. University College Hospital London
 - E. If you insist... the case of the ticking time-bomb. Amandip Sahota et al. Leicester Royal Infirmary
 - F. Old is "still" gold. Mahableshwar Albur et al. North Bristol NHS Trust
-

14-30 to 15-00 **International Invited Lecture**

Dr Robin Pavillard, Quality Healthcare Australia

"Designing and building infection out of hospitals"

Chair & discussant - Professor Steve Green (Sheffield)

15-00 to 15-15 **Coffee/tea & poster viewing**

15-15 to 16-05 **Free Scientific Papers** (12 minutes each)

Chairs & discussants - Dr Katie Jeffery (Oxford) & Dr David Chadwick (Middlesbrough)

- 8. A Surgical Abdomen? Rajeka Lazarus et al. Horton Hospital
 - 9. Bioluminescent imaging (BLI) of invasive *Streptococcus pyogenes* disease. Lucy Lamb et al. Imperial College London
 - 10. Chronic Fatigue Syndrome: routine measurement to help treatment planning and evaluation. Kim Dent-Brown et al. University of Sheffield
 - 11. Changes in severity and outcome in *Clostridium Difficile* Infection as disease incidence falls. Philipa Hyde et al. Brighton and Sussex Medical School
-

16-05 to 16-35 **UK State of the Art Lecture**

Dr Nicola Mackie, Consultant Physician in HIV & AIDS, St Mary's Hospital, London

"Where is HIV tropism testing going?"

Chair & discussant - Professor David Dockrell (Sheffield)

16-35 to 16-45 **Comfort break & poster viewing**

16-45 to 17-35 **Free Scientific Papers** (12 minutes each)

Chairs & discussants - Professor Melanie Newport (Brighton) & Dr Mike Cooper (Wolverhampton)

12. An eye-watering cause of fever. Alexander Stockdale et al. Cambridge University Hospitals NHS Foundation Trust
 13. Outcomes and risk associated with catheter-related urinary tract infections amongst consecutive patients with hospital-acquired bacteraemia in a UK NHS trust. Mark Melzer et al. Barking, Havering and Redbridge University Trust
 14. Audit of antiretroviral drug interactions in HIV Patients attending an Infectious Diseases outpatient clinic. Kamal Kaur et al. Royal Victoria Infirmary
 15. A lot of fuss about pus. Ashley Whittington et al. Imperial College London
-

17-35 to 17-40 **Close of proceedings**

Professor Steve Green, BIA Meetings Secretary

Dr Jane Stockley, BIA President

Selected Poster Presentations:

Tour gifts from Bangladesh. Joanna Peters et al. Royal Liverpool University Hospital

A lethargic man. Padmasayee Papineni et al. St Thomas' Hospital
