

3rd Annual

Junior trainee evening

An evening event aimed at senior medical students, and all doctors below registrar level contemplating a career in Infection related specialties including infectious diseases, microbiology and virology.

The evening is attached to the BIA Spring meeting and will be held in Cavendish Conference Centre, Marylebone, London after the Trainees' day **5.15pm-7.15pm** on **Wednesday, 22nd May 2019**.

The evening consists of a variety of topics including advice on working abroad and tips on how to successfully apply for specialty training, delivered by experts in their various fields. A provisional programme can be found below.

Poster presentations

There is also an opportunity to submit an abstract for consideration of a poster presentation during the Trainees' Day. The abstract theme is 'travel dilemmas', these can be interesting travel related cases or complex challenges presenting in travel clinics. Abstracts should be no more than 250 words, and submitted by Monday 6th May 2019 at 5pm via email to Farnaz.Dave@nhs.net. Please include a title for your abstract and your place of work. Trainees invited to present will be informed by the end of Friday 10th May 2019.

Registration

1 day registration £60.00 (includes registration for evening programme)

2 days registration £90.00 (Trainees' Day & Annual Scientific Meeting)

Registration for evening programme only available to those who have also registered for the Trainees' Day

Please click to register [here](#).

New members can join for free online by visiting the BIA website:
